MATERIALS

Volume 3

OVER 70 YEARS OF SERVICE

Established in 1945, Fay Block Materials remains a family-owned manufacturer and supplier of concrete masonry and other hardscape and landscape materials. Now in our fourth generation of ownership and operation by the Allen family, Fay Block is proud to add to our rich history every day. We serve homeowners, contractors, builders, and more with a full selection of quality masonry products, unmatched knowledge, and outstanding customer service.

The Fay Block Advantage

Fay Block Materials offers a complete selection of two-sided, free-standing wall systems that consist of three standard concrete blocks along with a cap block. Using our mortarless wall systems, you can easily build walls in any size, shape, or layout, including custom curves,

posts, corners, and more. These mortarless walls are made up of standardized blocks that stack and interlock securely in virtually endless configurations. No matter what the shape of your yard or the scope of your vision, mortarless walls from Fay Block Materials are your most convenient, cost-effective option.

Are you thinking about adding a custom hardscape to your property? Using top-quality concrete pavers from Fay Block Materials, you can install the patio, driveway, pool decking, or walkway of your dreams. Our broad selection of concrete pavers offers the premium appearance and long-lasting quality you really want along with outstanding value and straightforward installation.
